

MEMORANDUM FOR: Project Cover Officer

4 June 1956

REFERENCE : Memorandum for Project Director, dated
28 May 1956, from Cover Officer, same
subject.

SUBJECT : Procedures to be Followed in the Event of an
Aircraft Loss Over Hostile Territory

1. I have read over the attachment which seems to me to be in excellent shape. I believe you have done an outstanding job in outlining these arrangements. I would appreciate if you would go forward to seek State Department concurrence.

2. This must be done and can only be done with Park Armstrong. I suggest you call his office and ask for a brief appointment with him, explaining that you are working as my assistant and that I have asked you to show him some papers. I would urge you then to give him an oral briefing on this problem and ask him to read the attached procedure paper and let you have his views on it.
